THANKSGIVING FEAST — PET SAFETY TIPS!

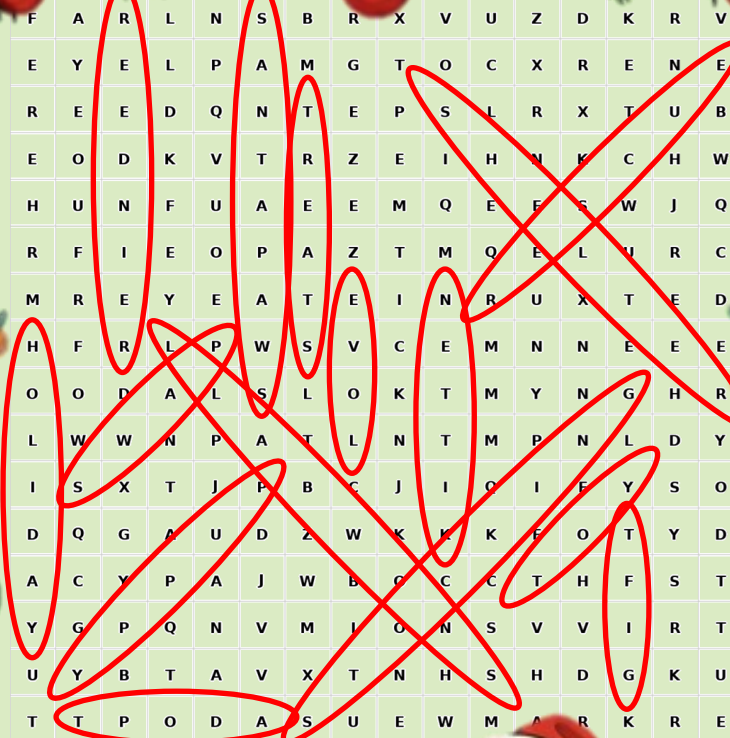

A Message from Berkley the Pug:

Hey Kids! The holidays are delicious, but the following foods are dangerous for pets: chocolate and cocoa, onions, garlic, leeks, grapes and raisins, cooked bones (they can splinter!). So be sure to keep these foods out of paw's reach, secure trash, and remind guests not to share table scraps. Fun pet-safe tip: Plain pumpkin (no seeds) is a safe and tasty treat for both dogs and cats!
